

MEMBERSHIP BENEFITS

The purpose of the Louisiana Gas Association is to advance and safeguard the distribution, transportation, production, and use of natural gas statewide.

LGA Objectives

- To sponsor public education and public relation programs that will enhance the distribution and use of natural gas
- Create greater confidence in, respect for, understanding of and goodwill toward the natural gas industry
- To accumulate data which will be useful in developing Engineering, operating, and management programs and work practices which will contribute to improvement in the safe use of natural gas
- To procure, review, and provide comment on rules and regulations related to the use of natural gas as proposed by competent authority
- To furnish Association members with suggestions, guidelines, methods or other data to assist in compliance with such valid rules and regulations
- To conduct affairs of the Association in a manner to foster cooperation between industry and government bodies

Additional Benefits

- Direct Participation at Business Meetings
- Quarterly Newsletters
- Excellent Networking Opportunities with gas members statewide
- Governmental Relations Services provided by Trey Hill & Association Management Partners
- Technical Training
- Annual Convention
- College Scholarships
- Guidance with regulatory compliance
