

## LGA SCHOLARSHIP PROGRAM INFO

Thank you for your interest in the Louisiana Gas Association (LGA) College Scholarship Program. If you are a LGA Member Representative/Primary Contact, please provide all qualified employees in your office/company with this application. LGA is awarding scholarships to the son, daughter, or legal ward of an employee of an active LGA Member. Over the last 24 years, the LGA has awarded over \$258,000 in scholarships.

The student must be enrolled in a 4-year accredited college or university and be classified as a Junior or Senior. All applicants must have their school forward their transcript directly to the LGA office at the address on the application. Transcripts must include the grades for the spring semester of the current application year. Scholarship rules and requirements are detailed in this application.

It is up to the company representative to collect all completed applications, verify the employee information, sign the application, and forward to the LGA office at the address on the application. All applications and transcripts must be postmarked no later than July 1st, so please forward this information to your employees as soon as possible. If you have any questions, please contact the LGA office.

### General Info

The Scholarship Fund awards approximately ten annual scholarships in the amount of \$1,000 each. This amount is subject to be adjusted annually by the LGA Board of Directors. Individual scholarship amount or number of scholarships may vary from year to year. Awards are made by the consensus of the Scholarship Committee.

### Eligibility Requirements

Applicant must be the son, daughter, legal ward, or dependent of an employee of the following:

1. An LGA member company that has been active for at least one full calendar year before the date of the scholarship application deadline;
  - a. An active LGA member company that provides multiple utilities, products and services are eligible only if their job functions are primarily (50% or greater) with the natural gas transmission or distribution industry.
  - b. An active LGA member company must primarily (50% or greater) work in Louisiana.
  - c. A current or past LGA Board Member of an active LGA member company, regardless if their primary work is in Louisiana.

2. Employee form must be completed by the employee and signed by the company's primary representative and mailed with the application. If the form does not accompany the application or the company's primary representative does not sign it, the application will be considered incomplete and will not be considered.
3. The LGA member company is considered active and eligible to participate if an employee of the member company has attended the LGA Annual Operations Conference or one of the LGA Educational Seminars during the previous calendar year.
4. Applicants will be considered without regard to race, color, national origin, age, sex, religion, handicap, or veteran status.
5. Prior LGA scholarship recipients are not eligible for future scholarship awards.
6. Individual or Special Members and their employees are NOT eligible.

### **Eligibility Criteria**
